Chair Kehoe summarized the history of the town's road improvement program, which started approximately ten years ago. The project began by targeting arterial roads; it has now reached the neighborhood areas, moving slowly through the town's roadways but making progress.

The following citizens came forward:

John Zullo, 78 Shady Lane, asked that both Shady Lane and Primrose Drive be added to the list of roads which will be repaired/repaved under this proposed bond. Additionally, Mr. Zullo asked that the town add curbing to both streets.

Susan Kniep, 50 Olde Roberts Street, is opposed to the proposed road bond. However, Ms. Kniep asked that Church Street be added to the list of roads to be repaired/repaved.

MOTION      By Esther Clarke  
                  seconded by Bill Horan  
                  to **adjourn** (7:30 p.m.).
